Sunday, November 1

Fall back! Daylight Saving Time ends this weekend. Turn your clocks back one hour before bed Saturday night so you aren't an hour early Sunday morning.

Pastor John continues our series “Order in the Church: Use of Gifts that Divide or Unite” with Part 2, “God’s Blueprint for Spiritual Gifts,” from 1 Corinthians 12:4–19. God gives different gifts by the same Spirit, and He has a place for every member of the body.

OPERATION ANGEL TREE

Operation Angel Tree is back for its second year! Northside is partnering again with Ponce de Leon schools so children right here in our community have a Christmas. It's $300 to sponsor one child, and you can sponsor on your own or go in on it with your family, class, or friends. Sign-up details are coming soon. Questions? Contact April Adams.

THE GREATEST JOURNEY

After a child receives an Operation Christmas Child shoebox, many are invited to The Greatest Journey, a 12-lesson discipleship course from Samaritan's Purse. They learn Bible stories, memorize Scripture, and discover how to follow Jesus, and graduates receive a New Testament in their own language. Just $6 gives one child the whole course. This November and December, Northside is praying for these boys and girls and giving to help. Learn more.
